Dividing, to organise. In the most personal way. Split is a system of division and storage compartments that allows the freest and most personalised organisation of drawer interiors. Split is characterised by versatility, user-friendliness and a wide choice of shapes, sizes and colours. Highly innovative, giving aesthetic definition to Salice's technological strengths and capable of the highest degree of personalisation and flexibility. Split is available in multiple finishes which, thanks to their different shades of colours and textures, are distinctive for their uniqueness and sophistication and perfectly integrate with any drawer setting and application.

**SALICE**

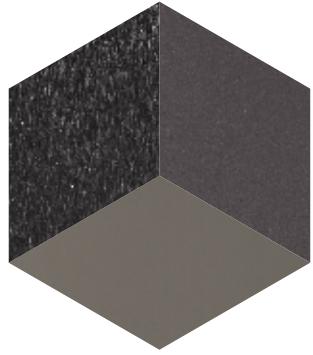

A dark wooden surface featuring a variety of kitchen items: a large round wooden cutting board with a sharp knife; a small white bowl of dark red sauce; a pair of silver scissors; a fork and a spoon; and several small white bowls containing different ingredients like mushrooms, lime slices, green leaves, and red and green chilies.
