SPLIT

Dividere per ordinare. Nel modo più personale possibile. Split è il sistema di contenitori che permette di organizzare l'interno di un cassetto in totale autonomia, all'insegna dell'essenzialità, della facilità di utilizzo e della varietà di forme, dimensioni e colori. Prodotto innovativo capace di declinare lo sviluppo tecnologico Salice in una nuova definizione estetica, finalizzata alla personalizzazione e alla versatilità più estrema e ricercata. Split è disponibile in numerose finiture che, dal punto di vista sia cromatico sia tattile, riescono a distinguersi per eleganza e originalità e consentono una totale e perfetta integrazione con ogni ambiente.
